Proprietary Certificate

We hereby certify that Konan Medical, Inc. is the Manufacturer of CellChek D Eye bank use Specular Microscope.

The Eye Bank use Specular Microscope is built on the proprietary technology of Konan over the last 4 decades and is the only type of its equipment incorporating the Center Method, Multi-area analysis, and Thermometer. It is universally known that the Center Method is considered as the gold standard, since the inception of the specular microscope by Konan.

No other company other than Konan Medical, Inc. manufactures the Eye Bank Specular Microscope with the above proprietary feature.
